

# Application for Additional or Replacement Kerbside Collection Bins

Each rateable property within Council's kerbside collection area is allocated one set of four wheelie bins (One each of green, yellow, blue and red).

Additional bins are available on request and will attract an additional targeted rate per bin.

Requests received before 5pm Monday will be delivered before the end of that working week. Requests received after 5pm Monday in any week will be actioned to following working week.

You will be invoiced for the service cost for the remaining months of the Council rating year and then payment will be included automatically in the rates at the commencement of the following rating year.
