

# Application for New Kerbside Collection Bins

---

A property must have a street or rapid number before bins can be issued.

A standard set of four bins (1 x Yellow mixed recycling, 1 x Blue glass, 1 x green organics and 1 x Red refuse) will be supplied.

Requests received before 5pm Monday will be delivered before the end of that working week. Requests received after 5pm Monday in any week will be actioned to following working week.

You will be invoiced for the service cost for the remaining months of the Council rating year and then payment will be included automatically in the rates at the commencement of the following rating year.

Additional bins to the standard set are available on request and will attract additional targeted rate per bin. (Refer to current Fees & Charges for costs.)
