

ONE DISTRICT Central Otago

The Central Otago District Council is investigating moving to a district-wide approach for funding and decision-making on our property, parks, cemeteries, pools and museums (districtisation). This proposal may also change the role of the Community Boards and how they interact with Council.

To learn more, visit the *One District: Central Otago* page on CODC Let's Talk or come to a community meeting near you. Each community meeting will begin with a brief presentation, followed by an opportunity to ask questions. An online forum will also be available.
