This is your chance to have your say on how you are represented. Council has proposed some changes, so this is your chance to comment on that proposal before it is forwarded to the Local Government Commission. Maniototo Library late night trial to move to monthly

First late night Thursday is **TONIGHT** Thursday 4 April 2024 5pm-6pm. We will report back again at the end of this four-month trial as to how this is going. Thank you to everyone who has provided feedback about this trial to date.

Later Thursday opening for Council service centres

Last year, we ran two trials for a later opening hour at all Central Otago District Council service centres, to allow time for staff training and briefing on new systems, with a view to making this permanent in 2024.

Having achieved the aims and objectives of the exercise to help the Customer Services Team deliver a more efficient service, Council service centres will now be opening their doors **one hour later than usual on Thursday mornings**.

Please be assured you can still reach us by phone 24 hours a day on 03 440 0056.

The first day of our adjusted hours will be **Thursday 11 April 2024**. For further information on this adjustment, please see our website Alerts:

<https://www.codc.govt.nz> or please give us a call on **03 440 0056**.

Building inspection wait times in April

The building team will experience some resourcing challenges during April. So, to reduce any potential impacts, external contractors have been engaged to assist in the processing of building consents in a timely manner (to meet our statutory timeframes), which in turn will enable the CODC team to continue to prioritise inspections. Wait times are as follows:

- Alexandra, Cromwell and Maniototo 11 working days
- Roxburgh 12 working days • Queensberry 13 working days

We would like to thank everyone in advance for their patience and understanding during this time.
