3. The local authority for the relevant area.

I support the submission of: Cairine Heather MacLeod. Submitter #135 to Plan Change 19.

The reasons for my support are: I support this submission as it is in keeping with the scope of PC19 in terms of rezoning suitable land to LLRZ to supply residential properties to cater for future growth of the Bannockburn township. In general, I support the proposed reduction of minimum allotment sizes as suggested in this submission.

I seek that the whole of the submission be allowed.

I wish to be heard in support of my further submission.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
