This is a further submission in opposition to a submission on Proposed Plan Change 19 to the Central Otago District Plan.

I am a person who has an interest in the proposal that is great than the interest the general public has, the grounds for saying this being I live in the area affected by proposed Plan Change 19.

I oppose the submission of submitter (name, email and submission number)

Wendy and Richard Byrne

on Plan Change 19

Oppose their submission for the approximately 24 true lakefront sections on Bell Ave, Lakeview and Stout Terrace to be reduced to 1000sqm. For the properties built closest to the lake it would allow, in some cases, up to 3 other properties to be built. There should be 1 zoning only for the whole area in RRA6, not split by streets and by whom gets a lake view or not.

I seek that the whole of the submission be disallowed:

I wish to be heard in support of my further submission.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
