This is a further submission in opposition to a submission on Proposed Plan Change 19 to the Central Otago District Plan.

I am a person who has an interest in the proposal that is great than the interest the general public has, the grounds for saying this being I live in the area affected by proposed Plan Change 19.

I oppose the submission of submitter (name, email and submission number)

Anthony Lawrence

on Plan Change 19

Whilst arguments about section yield and infill housing aesthetics are valid, I oppose this submission wanting all RRA6 to be re-zoned Low Density (500sqm).

I seek that the whole of the submission be disallowed:

I wish to be heard in support of my further submission.

If others make a similar submission , I will consider presenting a joint case with them at a hearing.
