(Please state whether you are a person who may make a submission under 1 and/or 2 above and also specify/explain the grounds for saying that you come within category 1 and/or 2)

(Please clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal and continue on an additional page if necessary)

The reasons for my support (or opposition) are:

The relevance of reverse sensitivity effects to existing lawfully established businesses being horticulture, motorsport & tourism in the immediate vicinity (Please give reasons and continue on an additional page if necessary)
