**Subject:** proposed plan change 13: river terrace

Dear sir/madam

on behalf of Little Quail Ltd I object to this plan change

The basis for my objections are

reverse sensitivity against exist land use

loss of character in region close to river and area of orchards and vineyards

housing too close to road

urban drift to river , which needs protecting

Rod Keillor  
for Little Quail Ltd

- what does want - (re) elature
- Assume opposing.
- Does he want to be heard.
