My submission is:

together with my family, have been involved with Central Motor Speedway club inc. for 10 years and I am concerned at the potential operational that could exist if the new housing development was to proceed

(Please include:

- whether you support or oppose the specific provisions or wish to have them amended; and

pto

I seek the following decision from the local authority:

That the entire proposal (proposed plan change 13) be declined.

(Please give precise details)

I wish/do not wish to be heard in support of my submission. (Please strike out as applicable)

Central motor Speedway brings a huge amount to the community

Going from a Vincent County Council meeting dated 18 Aug 1980 its says

the site that the Speedway is on appears to be well suited to the proposed use and the location should present few problems, being located close to Cromwell but sufficiently far from residential areas to avoid serious traffic or noise problems.

So now you are wanting to put residential housing right across the Road so this is why I am opposed to the plan change 13.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
