(Please give details and continue on additional page if necessary)

My submission is:

I oppose the specific provisions based on the following...
-I have been involved with Central Motor Speedway by way of club membership for 12 years. I have been involved with promotions & general management of the club... (continued over leaf)

- (Please include:

My submission is:

(continued)

- CMS is a volunteer run, not for profit organisation which provides family entertainment for the Central Otage Community
- CMS also brings thousands of visitors to Cromwell & surrounding areas during the summer months.
- CMS also puts alot of effort into local youth by providing them a facility where they can learn to drive & enhance their skills in a safe & controlled environment.
- Generally CMS brings so much to the local community for all to enjoy.

"Plan change 13" will without a doubt jeopardise activity at CMS, therefore the local community could be in jeopardy of losing such a community asset.

I strongly oppose "plan change 13"

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
