PO Box 122

(* Select One)

The specific provisions of the proposal that my submission relates to are:

The entire proposed Plan change 13.

(Please give details and continue on additional page if necessary)

My submission is: I have been involved with central Motor Speedway for many years. I am very concerned about the potential operational constraints that would exist if a residential development goes ahead on Sandflat Road. We are noisy and I believe it will only be a matter of time before complaints are raised by the new residents, and Central Motor Speedway could face serious issues. Continued over.

- whether you support or oppose the specific provisions or wish to have them amended; and
• reasons for your views;
and continue on additional page if necessary)

I seek the following decision from the local authority:

That the complete request for proposed Plan change 13 be declined.

(Please give precise details)

I wish/do not wish to be heard in support of my submission.
(Please strike out as applicable)

Central Motor Speedway brings a lot of visitors to Cromwell
which ^{in turn} use accomodation, buy groceries, fuel and
eat out at Cromwell's restaurants. I do not believe a
new residential development is in the best interests ^{for}
Central Motor Speedway, the neighboring orchard or
Highlands.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
