The specific provisions of the proposal that my submission relates to are:

The effects arising from increased traffic movements

The inadequate assessment of effects on my property

The lack of mitigation offered

Errors in the AEE and supporting material

(Please give details and continue on additional page if necessary)

My submission is:

I oppose PC13 in its entirety on the grounds that potential adverse effects on my property have not been adequately assessed, there are errors in the AEE and supporting documents, and inadequate measures have been proposed to avoid/manage/mitigate likely adverse effects arising from increased traffic movements

I seek the following decision from the local authority:

(Please give precise details)

I wish/do not wish to be heard in support of my submission.

(Please strike out as applicable)

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
