The specific provisions of the proposal that my submission relates to are:

Cromwell does not have the infrastructure or services to cater for this development

(Please give details and continue on additional page if necessary)

My submission is:

I am totally opposed to this development, now or in the future. From the 2 month time frame with which Council received the application from RTDL on 1/3/18 to when public submissions close on 20/6/18 - is insufficient time frame to implement Section 32(2).

I seek the following decision from the local authority:
