To whom this may concern

I am writing this in regards to Plan change 13 - which I oppose in its entirety.

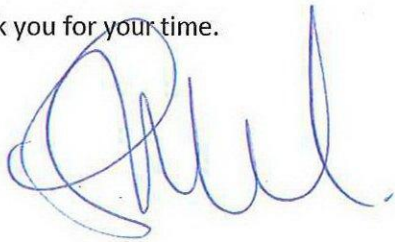

I have been employed by Highlands for the last 12 months and am also a long term resident of Central Otago.

Since I have been employed at Highlands Motorsport Park it didn't take me long to work out what this business contributes to not only our local community but also the wider community. Highlands creates opportunities – not only for Highlands but for all its employees, our customers, all of our members and our wider community with sponsorship and donations. The contribution financially of High end groups into Highlands Motorsport Park and the tourist industry it is marketed to, would greatly affect our local market without this financial injection into our district.

Highlands Motorsport Park is a High end landmark facility, not only in Central Otago but throughout New Zealand and offers the opportunity for amazing growth within this community.

I request the entire for proposed plan change 13 to be declined.

Thank you for your time.
