Submission on Plan Change 13

My submission is:

Highlands Motor Sport Park and Speedway have made an exceptional impact on Cromwell for the better with a world class car track and speedway track. The profile it has in New Zealand and overseas is huge for this area and for the business`s reaping the benefits of these two quality motor sport attractions. Business`s have set up in the area because of the Motor Sport Park and the Speedway.

We do not want to see another Western Springs debacle in this area. CODC will certainly reap the development fees from this housing area and I would not like this to influence CODC to make changes to the Motor Sport Park and the Speedway consents.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
