the orchard that has been there for years.
will have complaints re bird guns and spraying.
The proposed high density of the sections will lead
to "flattening" situations. Therefore many vehicles parked
outside are small home.

Leave it as Rural - that is why Highlands was
put there in the first place. so why change it
to residential when there is still plenty more
coming up in the Township of Cromwell.

I am a business owner - accommodation
and I need attractions and events such as
Highlands + Speedway so I can earn my
living.

Please do not let this happen.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
