As the Bus Controller for School Transport in Cromwell I wish to point out that the proposed new subdivision on Sandflat Road will cause problems for families living in that area.

The Ministry of Education rules governing the eligibility of students to catch a School Bus are set out in 3 criteria. Two of these criteria will be satisfied but one will be problematic for Secondary School students.

The one that will affect students living in this proposed subdivision is as follows:

Year 1 to 8 Criteria; Students must live no closer than 3.2Km to their closest school by the shortest route.

This will be OK for these students as the entrance to the subdivision is 3.8 Km to the nearest school

Year 9 to 13 Criteria; Students must live no closer than 4.8Km to their closest school by the shortest route.

These students will **not** be eligible for school transport unless their front gate is 1 Km or more from the present Sandflat Road entrance.

This will create three groups of school students which will cut across families.

Group 1 All Year 1 to 8 students are eligible.

Group 2 No Year 9 to 13 students would be eligible if they live within 1 Km of the present Sandflat Road entrance.

Group 3 Year 9 to 13 students who live further than 1 Km into the subdivision would be eligible.

This will cause safety problems for parents/guardians who have students in Group 2 as their children will have to travel on Highway 6 by foot or cycle (if not transported by private transport) even if they travel via Cemetery Road.

There will also be problems for the School Bus contractor trying to distinguish between those Year 9 to 13 students who are eligible and those who are not.
