(Full name)

This is a submission on proposed Plan Change 13 to the Central Otago District Plan (the proposal).

I ~~could~~ could not* gain an advantage in trade competition through this submission.

(* Select one)

I am/~~am not~~* directly affected by an effect of the subject matter of the submission that-

(b) does not relate to trade competition or the effects of trade competition.

(Delete entire paragraph if you could not gain an advantage in trade competition through this submission)

(* Select One)

The specific provisions of the proposal that my submission relates to are:

The whole proposal to change Plan 13.

(Please give details and continue on additional page if necessary)

My submission is:

The density of the proposed residential subdivision will inevitably lead to reverse sensitivity to the adjoining Motorsport Park, Speedway, Orchards and Airfield and put these facilities in jeopardy. This type of dense development will also end up being a future housing demand. (Please include: whether you support or oppose the specific provisions or wish to have them amended; and reasons for your views; and continue on additional page if necessary)

I seek the following decision from the local authority:

That the proposal be declined in its entirety.

There is more suitable use of the land without creating extensive reverse negativity directed at existing neighbouring motor businesses.

(Please give precise details)

I ~~wish~~/do not wish to be heard in support of my submission.

(Please strike out as applicable)

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
