(Please give details and continue on additional page if necessary)

My submission is:

I (and my family) have been involved with Central Motor Speedway for 10 years and I am concerned at the potential operational constraints that could exist if the new housing development was to proceed. See over the page

- whether you support or oppose the specific provisions or wish to have them amended; and reasons for your views; and continue on additional page if necessary

I seek the following decision from the local authority:

That the entire proposal (proposed plan change 13) be declined.

(Please give precise details)

I wish/do not wish to be heard in support of my submission. (Please strike out as applicable)

Central Motor Speedway brings a huge amount to the community, both financial and by way of entertainment for spectators, competitors and the like. Where else can you go in Cromwell on a Saturday night for cheap, good family fun. There's nowhere else. The supermarkets, Gas stations, restaurants + even Motels benefit. Our son also races, which is fantastic - a great environment for our local youth to learn new skills and meet people in a positive environment.

If others make a similar submission, I will consider presenting a joint case with them at a hearing.
(Please delete if you would not consider presenting a joint case)
