My reason for opposing plan change 13 is because I believe Highlands Motorsport Park has given so many local as well as international rare opportunities. Highlands has also benefited my future career in tourism and motorsport positively, as I have been given the chance PTO

I wish/do not wish to be heard in support of my submission.

to work on my racing and being a stronger competitor. I believe that if Highlands operations got constrained it would cause a negative impact to the community both economically as it would bring less people to the area which would then affect more local businesses. It would also affect central Otago District Socially. Highlands brings families and friends together with events that provide for everyone and also activities that brings the community together like Christmas in the park, Easter egg hunt, providing business challenges and memorable experiences for the kids at Starship hospital. Highlands Motorsport Park is not just for the Motoring enthusiasts, or just a job, it is a place that brings dreams alive and brings people inside and outside the community together. Highlands also provides programs like 'Young driver of the year' which is aimed at teenagers and discussions on safe driving along with practicing these skills. Overall Highlands Motorsport Park has had such a positive impact on the area and to my life and would be a big loss if the operation got constrained.
