Breen Construction has been involved with the development of the Highlands Motor Sport park from the beginning. We have grown our own Cromwell based business to allow us to keep up with the growth of the park.

With the development of the park we have seen the economic benefit to the local community. This has come from initially the construction spend, day to day operations, its events and the support of the local community events through sponsorship. The park must now be one of the largest attractions in our area. With this in mind it would seem unfathomable that we would now put all that in jeopardy by allowing this plan change.
