If you are a person who could gain an advantage in trade competition through the submission, your right to make a submission may be limited by clause 6(4) of Part 1 of Schedule 1 of the Resource Management Act 1991.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that a least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language;
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

My Submission is:

Cromwell was really only known for the fruit produced in the area.

- Jones family Orchard did a lot towards tourist coming to the area.
 - Residential sub division in the area will have people complaining the noise and other activities need to be done to operate a commercial orchard.
- Speedway has be operating for more than 30 years
 - Being setup well away from the residential area of Cromwell, If this sub division goes ahead, this will end up like Western Spring having to close because of the complaints about the noise
- Highland Motor Park really put Cromwell on the map.
 - Once again the noise of a residential sub division will be detrimental to the operating of the Motor Park.
- With that number of residents living in this sub division the access on State Highway 6 would become a major problem
