(Full name)

This is a further submission in support of (or in opposition to) a submission on proposed Plan Change 14 to the Central Otago District Plan.

I am:

1. A person representing a relevant aspect of the public interest, the grounds for saying this being:

I am an orchardist near Alexandra, and am concerned about the on-going loss of versatile soils that have horticultural potential in Central Otago.; or,

2. A person who has an interest in the proposal that is greater than the interest the general public has, the grounds for saying this being:

.....; or,
(Please state whether you are a person who may make a submission under 1 and/or 2 above and also specify/explain the grounds for saying that you come within category 1 and/or 2)

3. The local authority for the relevant area. CODC

I support (~~or oppose~~) the submission of:

38 Horticulture New Zealand rachel.mcclung@hortnz.co.nz 38/1 to 38/41

.....on Plan Change 14.

(Please state the name and address of original submitter and submission number and submission point number of original submission)

The particular parts of the submission I support (~~or oppose~~) are:

.....In full, but in particular 38/16-19, and 38/20-31.

.....
(Please clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal and continue on an additional page if necessary)

The reasons for my support (~~or opposition~~) are:

Far too much productive land has already been lost to urban and rural residential developments, both within Central Otago, and nationally. We need to safeguard our ability to grow horticultural products, especially with the need for people to eat more plant based foods from a zero carbon and health viewpoint. This submission outlines my concerns.

.....
(Please give reasons and continue on an additional page if necessary)

I seek that the whole ~~or part (describe part)~~ of the submission be allowed ~~(or disallowed)~~

..... The submission of Horticulture NZ should be allowed in full.

.....
(Please give precise details)

I ~~wish~~ **(or do not wish)** to be heard in support of my further submission.

(Please strike out as applicable)

If others make a similar submission, I will consider presenting a joint case with them at a hearing.

(Please delete if you would not consider presenting a joint case)
