Andrew Menzies	62	andrew.m@greenhomesnz.co.nz	- The proposed recreational area be made available for MTB trail development by Cromtbc - We aren't restricted to simply using existing trails on the land for MTB use - Cromtbc is allowed the space to design and build multiple trails in the recreational area - The trails built by Cromtbc will be accessible by anyone wishing to do so, not just Shannon Farm Residents	CROMTBC supports the submissions in their entirety	The development of world class mountain bike trails in the proposed recreation zone will be a great asset for the community of Cromwell and Central Otago. The submissions seek that Cromtbc is allowed to build multiple trails in the recreational area. The appropriate mechanism to allow the building of trails is amendment to standard 4.7.6L to provide that cutting of mountain bike trails and tracks, including associated earthworks, within the Outstanding Natural Landscape area as identified on the structure plan in Schedule 19.23 is a permitted or controlled activity, or a similar amendment with this effect.
