B31 To The Chairman
of the Vincent County Council
Sir

on account of the Plans
and Specifications being sent up to
Cromwell, and being hurried for
time at the last moment, we find
that we have made an error in
over Estimating the Timber for
Contract No 105 Bridge over Frasers
River, and on that account please
deduct Twenty Pounds Eight Shillings
£20-8 - Sh. off the Total amount
of our Contract price for said Bridge.
