

26th. March, 1945.

Mr. W.J. Anderson,  
P.O. Box 81,  
RANFURLY.

Dear Sir,

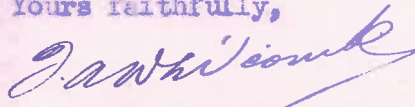

MANIOTOTO AMBULANCE COMMITTEE.

Your letter of the 12th instant relation to the appointment of a Council representative to act in connection with obtaining a suitable vehicle.

I am directed to advise you that, in the opinion of the Council, adequate representation already exists. per medium of members also being members of the Hospital Board and therefore further representation of the Council is not justified.

By direction of the Council,

Yours faithfully,

COUNTY CLERK.

Dear Sir.

With regard to the purchase of an ambulance for this district, it was decided at a meeting between the Committee of the Hospital Board and the St John's Association that, when the necessary moneys were raised, representatives from the Board & the Association be appointed to go into the question of obtaining a suitable vehicle.

The Association would be pleased if the Council could appoint a representative to assist also.

Yours faithfully  
W. Anderson
