

15th September, 1937.

A.K.S. Mackenzie Esq.,
P. O. Box 1465,
WELLINGTON.

Dear Sir,

Agreeably with your request of the 13th instant, I have to advise you that the late M.J.S. Mackenzie was elected a member of this Council on the 3rd Wednesday in November 1881, attended his first meeting on the 3rd January 1882, was elected Chairman of the Council on the 28th November 1883 and retired from the Council in January 1885.

The records are fairly brief and it is impossible to quote the definite date of his retirement from the Council.

However, I trust that the above will meet your requirements.

Yours faithfully,

Dear Sir,

May I ask you to examine the County records and let me know the years in the late Seventies or early Eighties in which my father, the late M. J. S. Mackenzie, was a Member of the Council. I think you will find also that he was Chairman for a period. I would not trouble you but the particulars are wanted for a book which my sister Sheila Macdonald is about to publish on my father's association with Central Otago.
