J. S. Dickie Esq
County Clerk
Clyde

Dear Sir /

I have had one or two applications for plans and specifications of Lindsis foot bridge. Can you send them by tomorrow coach? otherwise I fear my clerks will all be unable to tender, and as they are local men who could probably do the work cheaply it seems a pity to deprive them a chance.

Please send collect wire on receipt if plans &c can be sent to me.

Yours faithfully
J. S. Marshall
