

County Office
10th Sept 1878

The County Engineer will
please see if the within mentioned race
will interfere with the County Roads
and if it does to take action in
the matter.

J. P. Clark
County Clerk

Clyde 10 Sept 1878

The County Clerk
Clyde

Sir

Take Notice that Messrs H. Campbell & J. S. Wilson of Manakoa have applied to the Mining Registrar at Cromwell for a license under sec 31 of the Mines Act 1877 to construct a Water Race commencing on East side of River Hawea about $2\frac{1}{2}$ miles above its junction with River Clutha and terminating at River Clutha below Dr. Phersons Point

The object of such intended race is to use the same to obtain motive power for their projected Flour Mills at Newcastle

This notice is given in case any roads are or may be affected

I have the honor to be
Sir

Your obedient servant

J. S. Wilson
