

Corrigendum Decision

DLC ref: OF099

Licence Number: 67/OFF/15/2014

IN THE MATTER Sale and Supply of Alcohol Act 2012
AND

IN THE MATTER of an application by **Upland Foods Limited** for an Off-Licence pursuant to section 105 of the Act in respect of premises situated at 91 Tarbert Street, Alexandra known as "Alexandra Four Square Supermarket".

In the Decision dated 15th May 2014, which was granted in respect of these premises, the Medical Officer of Health's written submission provided following the hearing was misinterpreted in the decision. In particular:-

"Dr Bell stated he was seeking complete separation of the alcohol area from the groceries in the Alexandra Four Square. He considered more could be done to reduce the exposure of alcohol and that moving the display would be reasonably practicable".

And

"It is further noted that the MOH was seeking to have complete separation of the alcohol, and whilst that may be a desirable outcome from the perspective of the MOH it is not a requirement of the Act".

The first paragraph is hereby amended to read:-

"To be clear, I am not seeking a complete separation of the alcohol area in this Alexandra 4 Square application, but I do believe that it is "reasonably practicable" for the applicant to further reduce the exposure of shoppers to the displays and promotions of alcohol. This would be achieved by using the corners of the store and the area illustrated in the last photo, rather than the current back-wall area which directly visible and close to the main grocery isles".

That further reference to the MOH seeking complete separation as stated in the fourth paragraph of 'Reasons for Decision' is hereby deleted.

The committee notes that this corrigendum does not materially affect the decision issued in respect to the application or the subject of the appeal to the Alcohol and Regulatory Licensing Authority.

In all other respects the decision as issued on 15th May 2014 remains unchanged.

Dated at Alexandra this 18th day of July 2014
