Details of submission

The specific parts of the application that my submission relates to are: Breach of no build line

The submission - include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

The no build line was put in place to protect the stunning vistas as seen from the Bannockburn Inlet back in 1974. This is even more relevant today as Bannockburn Inlet is a beautiful community asset worth protecting for tourism, recreational users, photographers etc. If this line were breached it would have a major impact on the vistas.

Please upload any documents / photos that are relevant

I seek the following decision from the consent authority.

Give precise details, including the general nature of any conditions sought I seek the decision to decline any breach of the no build line

Select below - Pursuant to [section 100A](#) of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.
