Details of submission

The specific parts of the application that my submission relates to are:	I live directly opposite the proposed subdivision across the Bannockburn Inlet and will be directly affected by noise, light, visually impacted. The beauty of living here are the uninterrupted views to Mt Difficulty and beyond, the inlet is a quiet nesting spot for bird life which increased noise , traffic, activity will disturb. This is also a special place for locals and visitors to come and enjoy, the impact of a subdivision that sits over the inlet will spoil the whole reason the Inlet was established.
The submission - include: <ul style="list-style-type: none">• whether you support or oppose the specific parts of the application or wish to have them amended; and• the reasons for your views.	I oppose this subdivision because of the visibility from the Bannockburn Inlet, Bannockburn township, wider Bannockburn. The effects of lighting on the whole Bannockburn area especially to the residents opposite the proposed subdivision. The BLR was established in 1987 to protect the views around the Inlet and so it was not visible from Cromwell. Why would this need to be changed. 12 out of the 20 lots are within a building line restriction resulting in houses being clearly visible from the Bannockburn Inlet.

Please upload any documents / photos that are relevant

I seek the following decision from the consent authority.

Give precise details, including the general nature of any conditions sought

I seek that the current proposal of 20 building lots be turned down due to the impact on the wider Bannockburn area.

Select below - Pursuant to [section 100A](#) of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority. "See note 4 (second tab) as you may incur costs relating to this request."
