Notes to submitter

1. If you are making a submission to the Environmental Protection Authority, you should use [form 16B](#).

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

2. You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.
3. If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in [Part 11A](#) of the Resource Management Act 1991.
4. If you make a request under [section 100A](#) of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you will be liable to meet the additional costs of the hearings commissioner or commissioners, compared to our hearing panel. Typically these costs range from \$3,000 - \$10,000.
5. Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):
 - it is frivolous or vexatious:
 - it discloses no reasonable or relevant case:
 - it would be an abuse of the hearing process to allow the submission (or the part) to be taken further:
 - it contains offensive language:

It is supported only by material that purports to be independent expert evidence, but has been prepared by a

person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

In lodging this submission, your submission, including contact details, become public information and will be available for anyone to view.

Details of submission

The specific parts of the application that my submission relates to are:	I am absolutely opposed to the proposal of a solar plant being put in our area. It will have of no benefit to our community and will destroy our beautiful landscape. The Hugh chance of wipping out our town from fire risk and damage from lithium batteries. The sun strike from reflection. Put it where the power is going to. Thd scale of size alone who knows what health risks long term could bep
--	--

The submission - include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

I moved here 13 years ago permanently after holidaying in Naseby for 30 years.
The main reason for coming was the amazing landscape and lack of ugly commercial building
The clean air and amazing night sky's which I believe will be destroyed from these glass panels reflection.
I drive to work each day past where this monstrosity will be and think how lucky we are to live in such an amazing part of the country.
This will be taken from our us and why we want to live here

Please upload any documents / photos that are relevant
