Important information so you don't lose your data

If you wish to take some time completing this form, we strongly recommend that you **create a [login](#) and log in to your account prior to starting to complete the form**. This gives you the ability to save a draft and return to it later.

If you are a club or organisation, please use an email that is associated with the club rather than your work or personal email.

Logging in before starting to enter information into the form also means you won't lose your information if the form times out, or if you accidentally navigate away from the screen you're working on.

You cannot save your information and return to it later unless you log in before you start the form.

Regardless whether you are logged in, once you have completed and submitted the form, you will receive a copy of your submission to the email address you specify in the form.

Either go to our [Online Services](#) page to create an account (or log in if you already have an account) or continue below to start without logging in.

Privacy

The information you provide is official information and is used to help process your application. The information is held and used in accordance with the Local Government Official Information and Meetings Act 1987 and the Privacy Act 2020. This means that your information may be disclosed to other people who request it in accordance with the terms of these Acts. Under the Privacy Act 2020 you have the right to see and correct any personal information that Council may hold about you.

Declaration

By continuing with this application you certify that: The information you provide is true and correct to the best of your knowledge. Yes

Notes to submitter

1. If you are making a submission to the Environmental Protection Authority, you should use [form 16B](#).

The closing date for serving submissions on the consent authority is the 20th working day after the date on

which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

2. You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.
3. If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in [Part 11A](#) of the Resource Management Act 1991.
4. If you make a request under [section 100A](#) of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you will be liable to meet the additional costs of the hearings commissioner or commissioners, compared to our hearing panel. Typically these costs range from \$3,000 - \$10,000.
5. Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):
 - it is frivolous or vexatious:
 - it discloses no reasonable or relevant case:
 - it would be an abuse of the hearing process to allow the submission (or the part) to be taken further:
 - it contains offensive language:

It is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

In lodging this submission, your submission, including contact details, become public information and will be available for anyone to view.

possibility over time of fire/contamination. The application is a poor example of an application and has glaring omissions and lack of detail e.g. re the substation, 220V transmission connections.

The application needs to be paused until an amended full and clear application is submitted addressing the above omissions and details.

The submission - include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

Please upload any documents / photos that are relevant

I seek the following decision from the consent authority.

Give precise details, including the general nature of any conditions sought

Further information is required in order to understand the full effects of the proposed battery storage/solar on this community.

Select below - Pursuant to [section 100A](#) of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority. "See note 4 (second tab) as you may incur costs relating to this request."

I do not request

Any other comments?

It seems obvious that this project is about battery storage predominantly and has very little to offer the Maniototo and its people. It is the wrong project, in the wrong place. I have serious concerns about a project of this size in this outstanding natural landscape.

In lodging this submission, I understand that my submission, including contact details, are considered public information, and will be made available and published as part of this process.
