

21.2.10 CLYDE MUSEUM REDEVELOPMENT PROJECT AND THE DISTRICT MUSEUM STRATEGY

To respond to a request from the Vincent Community Board to provide an update on the Clyde Museum Redevelopment Project, the draft district museum strategy, and to allow the Board the opportunity to reconsider previous resolutions made concerning this project.

COMMITTEE RESOLUTION

Moved: McPherson

Seconded: Browne

That the Vincent Community Board:

- A. Receives the report and accepts the level of significance.
- B. Agrees to rescind the previous resolutions 19.1.8C and 19.1.8D which directed staff to progress with concept plans.
- C. Notes that the district museum strategy and subsequent work programmes will inform the decision whether to proceed with the development of the Clyde Museum.
- D. Agrees that the preferred tenders identified during the tender process be put on hold so that if the work progresses, Council will negotiate with those three tenders rather than retendering the project.
- E. Approves the public release of this report except for Appendix 3 - tenders received, which will remain confidential as the contents are commercially sensitive.
- F. Approves that the resolutions will be communicated publicly as appropriate.
