Details of submission

The specific parts of the application that my submission relates to are: I oppose the solar and battery proposal in the Maniototo.

The submission - include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

It will be an eyesore in the beautiful Maniototo landscape. It will adversely impact the dark sky of the Maniototo.
The majority of the Maniototo is a farming community. This is not farming. It is an industrial site that will mostly benefit the North Island electricity.

Please upload any documents / photos that are relevant

I seek the following decision from the consent authority.

Give precise details, including the general nature of any conditions sought Do not allow the solar and battery proposal in the Maniototo to proceed.

Select below - Pursuant to [section 100A](#) of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority. "See note 4 (second tab) as you may incur costs relating to this request." I request

Any other comments?

The Maniototo will get little benefit from this project. It quite sadly could be a more detrimental than positive.
