This is a submission on the following resource consent application: RC No: **240065**

Applicant: **Helios OTA Op LP** Valuation No: **2828012800**

Location of Site: **48 Ranfurly-Naseby Road**

Brief Description of Application: **Land Use Consent to Construct, Operate and Maintain a Solar Farm (Maniatoto Plain Solar Farm) being a Renewable Electricity Generation Activity in a Rural Resource Area.**

The specific parts of the application that my submission relates to are:
(give details, attach on separate page if necessary)

This submission is: (attach on separate page if necessary)

Include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

I oppose the application on the ground that the site is located on the main thoroughfare to the iconic historic Naseby township (very much as Arrowtown used to be and I doubt they would be contemplating a solar farm on the outskirts of Arrowtown.) The road is known for its outstanding mountain views of the Maniototo. I think it is disingenuous to say native plantings in 5 years will enhance the area when it is known to be one of the most challenging areas in the country for planting with the coldest temperatures in NZ in winter and long summer droughts. The whole area is a fire risk with notorious winds and poor water supply. I support solar farms but this site is unsuitable. Apart from spoiling a much loved tourist route, it has in my view significant risks.

I/We seek the following decision from the consent authority:
(give precise details, including the general nature of any conditions sought)

I oppose the application (select one) / I do not wish to be heard in support

of this submission (select one)

I am not* a trade competitor for the purposes of [section 308B](#) of the Resource Management Act 1991 (select one)

**Delete this paragraph if you are not a trade competitor.*
