NOTICEBOARD | CENTRAL OTAGO DISTRICT COUNCIL

4 July 2024

Tell us what's in it before you bin it...

From 1 July 2024, Central Otago District Council transfer station staff will be required to ask all customers what type of waste they will be disposing at the transfer stations. This is a new requirement from the Ministry for the Environment (MfE) to better understand the type of waste being disposed of at transfer stations and landfills across New Zealand. At the transfer station kiosk, please advise staff what type of activity your waste came from as per the list below:

- Construction and demolition
- Industrial and/or commercial businesses
- Institutional groups (including education, and sport and recreation groups)
- Horticultural and/or farming activities
- Residential properties (excluding kerbside)

For more information around this new requirement, visit the Ministry for the Environment's website:
